Bone Marrow

Courtney: Jan 23 10:30-4:30pm college nine lounge and Porter lounge. Main goal DKMA advocate and get more people signed up to save more loves. Old methods isn't what it used to be and not painful and the only thing about the surgery is that you wake up sore. Questions more scientific based rather than discriminatory. Here to advocate. Asking for \$175.

Michael: what would the money be going to? Get stickers to put on post cards and new volunteer shirt for this year and the flyer that will go in front of the campus.

Victor: last time there was confusion with DKMAs

Courtney: international org. Serena works with them closely.

Marin: funding from others

Courtney: yes funding from three of them.

Itai: getting people to sign up right?

Courtney: yes. Every year 300 new registers. 13 matches from UC Santa Cruz

Alexandra: Match not all of the matches donates so what happens?

Courtney: phone call asking if you would like to do it. From there treatment facilities to double check. You can still opt out at any point

Alexandra: I motion to fund the bone marrow event.

Kartic: I second.

Chandler: Great thing so I motion 175 motion

Eddie: I second.

Kenley: I think a little less because I don't think they need that much. 150 could be better

10 yes 7 no 1 abstention

Motion passes

Victor: we are funding the Bone Marrow event \$175.

Funding request: deciding to hear: Super bowl RA's aka Merrill Reslife staff

Victor: safe alternative for students to watch the game and learn historical events. And one of the most alcohol consuming days so it is an alternative for the students to enjoy free from that pressure. The NFL community bonding and Patriotism and 150 students to attend (Merrill) tentative Feb. 1 from 2-8 and asking for 200.

Marin: I say we should hear them.

Marin: I motion to hear the Super Bowl presentation.

Alex: I second.

Cooking 200 and something burgers. Planning meeting wed Jan. 14 at 10pm at MAS if you are interested in helping. Wonderful stepping stone if you are looking into becoming a Merrill RA.

Alex: objectification of women in super bowl ads event or something?

Michael: not exactly but if you come to the meeting you can talk about it to make it a thing. Second thing we are going to have a college programs coordinator. Jan 19 Veronica and then possibly taking over for Kristen. Have you heard about the Mailbox situation? As of right now you go to the mailroom and tell them your name because they are having trouble with the keys or locks. If you can spread the word that would be awesome.

Bianca: what if you need to buy?

Michael: 641 Merrill College. A hackathon this weekend in the cultural center. Giant for people who are programmers to shine. Amazon and Ebay come out to watch. Programs office going to be hiring a historian. Trying to get that person to coordinate with RAs and MSG to get informed of what we do and take pictures of everything. Last thing, there is going to be two more information sessions and to apply tomorrow at 12:15 at Baobob and Monday 8:30pm at Baobob lounge. Cool to have free housing and free food?
